Dear Supporters,

We cordially invite you to the 41st Anniversary DayLa Celebration of the 100 Black Men of Metropolitan St. Louis on Saturday, December 14, 2024, at the Marriott-St. Louis Grand Hotel, located at 800 Washington Avenue, St. Louis, MO 63103.

The 100 Black Men of Metropolitan St. Louis was formed in 1983 by Jessie C. Swanigan and Fredrick B. Wright as a mechanism through which prominent black men in the St. Louis metropolitan area could leverage their collective talent, ability, and energy toward achieving meaningful gains for the black community. Since our founding, we have continued serving as a catalyst for community empowerment while providing a much needed support system.

Formed in direct response to the growing number of young people that are either falling through the cracks at school, or are already entangled with the juvenile court system, the 100 Black Men of Metropolitan St. Louis identifies youth who are experiencing a turbulent transition to adulthood and offers them a positive support system to avoid the pitfalls that can derail their lives. The focus is slightly different at each level but the goal remains the same; empower the young person to make positive changes in his/her life. The 100 also provides Health Initiatives and Economic Development Workshops for the community-at-large. Thus, the primary function of The 100 Black Men of Metropolitan St. Louis is to provide opportunities through initiatives, known as our signature “Four For The Future” Programs in the areas of Mentoring, Education, Health & Wellness, and Economic Empowerment.

To continue fulfilling the mission of this great organization, we invite you to support our 41st Anniversary DAYLA by purchasing sponsorships, tickets and advertising in our program booklet.

Thanks for your consideration!

Sincerely,
Donald Gage
President
